

Did you know... Kush or Ethiopia in the Bible is in the region of southern Egypt and part of Sudan? This Nubian kingdom mentioned throughout scripture is named as a place where God's people are. Scattered Hebrews. It is distinct from the nation we now know as Ethiopia (The Kingdom of Aksum) who overtook Kush/Nubia and assumed the name Ethiopia which is Greek for "burnt face."

Dear Sibling,

My name is Amani, from Merøe in the Land of Kush where the Queen or our Kandake reigns. My family have been in this land for many, many generations, by the grace of the Ancient of Days (God). Our land is beautiful and lush, it is blessed with precious stone, fertile soil and mighty armies. News has come to us... a rumour from the palace. A favoured Eunuch brings word of the Messiah we have been waiting for, a Son from the line of our great ancestor King David. Yeshua performed miracles, fulfilled scripture, was killed and rose from the dead. In this land there is a god called Apedemak - "Lion of the south, strong of arm." And now we hear of the Lion of the tribe of Judah, also called the Lamb who was slain. I wonder what the Queen makes of this, if it is true that the messiah will return... then what next? Perhaps by the time this letter reaches you things will have revealed themselves... see you soon or in glory. He is Risen!

The Good News

Yeshua of Nazareth, is the
messiah.

He died to pay the price for the
sins of the world.

He conquered death and rose
on the 3rd day.

He ascended to heaven and sits
at the right hand of God the
Father.

He will return and rule forever.
